The Medina County Genealogical Society

P. O. Box 804
Medina, OH 44258-0804

The Medina County Genealogical Society is pleased to announce the release and publication of a new research tool for Medina County researchers.

Now available in CD format is the Indexes to the Early Marriages of Medina County covering the years 1818 to 1878. This CD is formatted in Excel and is very easy to navigate. There are three different versions on the CD:

1. In order of appearance in the original ledgers by Volume, Page and Line number.
2. In alphabetical order by groom's surname.
3. In alphabetical order by bride's surname.

The Society extends great thanks to Mr. Lyle "Hal" West for his diligence in providing this information.

The Society will also offer the service of copying and sending you the original marriage record for a nominal fee of $3 per record requested.

The cost of the CD is $15 for Society members and $18 for non-Society members. All Ohio residents must add sales tax appropriate for their county. There is a $2 shipping/handling fee if mailed to you.
