DOCUMENTATION for the Ascent Chart for SETTLERS & BUILDERS OF MEDINA COUNTY

Please read and use the **APPLICATION INSTRUCTIONS** and **RULES AND STANDARDS OF EVIDENCE** when preparing this page of documentation. Information for additional ancestral lines may be included on blank pages, showing a relationship to the lines on the basic application. You **must** include a four or five generation chart for **each line you submit** to show the inter-connection.

We suggest you use ***Evidence! Citation and Analysis for the Family Historian*** by Elizabeth Shown Mills, Genealogical Publishing Co., Baltimore, 1997 as an aid. Most libraries have a copy in their reference department.

List documents used for each generation on the Ascent Chart.
